

INTRODUCING THE INAUGURATION OF THE 2016

CEE FILM CONTEST

- **For CEE students only**
- **Open to all levels (freshmen to graduate)**
- **Cash prizes for the top-rated films**
- **No prior background on filmmaking necessary**
all you need is the drive to become a civil and environmental engineer
- **No cost to participate**
- **All skills training to be provided**
- **Flexible format to fit busy schedules**
 - If you want to master the art of public communication to tell the story of what civil and environmental engineers do – then this is for you
 - Get a resume entry on extra-curricular activities that will make your application stand out
 - All students will receive recognition for their participation

SEATING IS LIMITED
Only 40 students will be accepted in the 2016 inauguration
